Entry fee \$5/dog for a total of \$10 per team

Class will run at end of the day

Pre-Registration encouraged by mail received through November 1st. After November 1st register at the main score table before 2 pm on Saturday, November 5, 2016.

Dogs/Exhibitors are not required to be entered in the licensed show to enter Pairs Relay however, both exhibitor and dog must be in good standing with AKC and sign an entry form.

Course Description: The course will include obstacles used on a Regular Standard course with the exception of weave poles and table—which will not be used. Each dog/handler will run a portion of the course as defined by the Judge. A baton will be carried by the “active” handler. There will be a defined area for the baton handoff. The Teams will come into the ring on lead. Only the active dog will be off lease. Once the first dog has finished it’s course and is in the handoff area the dog is restrained. The baton is given to the second handler and that dog may now start. Dogs will leave the ring on lead.

Team Description: Each Team will include two separate dogs and two separate handlers. Teams can be made up of dogs from any level and any jump height. Mixed Pairs are welcome. Exhibitors are encouraged to name their Team and dress in Team attire. A dog may be on two teams with two different dogs, however they must run a different side of the course with each Team.

Scoring: Time plus Faults. The Team with the fastest time will be the first place team. Next fastest time will be second and so forth. With each standard fault a dog makes 5 seconds will be added to the Team’s total time. Dropped bars, missed contacts, teeter fly offs and off courses are all scored as 5 second faults. Refusals and run outs will not be judged.

Compensation will be given to these specified jump heights: 8” and 12” dogs will be given a 4 second handicap. 16” dogs will be given a 2 second handicap. Preferred dogs will be given a 1 second handicap. Example: a Team with a 20” dog and a 12” dog will have 4 second subtracted from their total course time. A Team with a 12” and a 16” dog will have 6 seconds deducted.

Compensation will be given to these specified jump heights: 8” and 12” dogs will be given a 4 second handicap. 16” (except Trixie) dogs will be given a 2 second handicap. Preferred dogs will be given a 1 second handicap. Example: a Team with a 20” dog and a 12” dog will have 4 second subtracted from their total course time. A Team with a 12” and a 16” dog will have 6 seconds deducted.

Awards: Each dog/handler on a Team that places will be awarded a dog toy with the 1st place Team getting first choice and so forth. Placement will be awarded out to 6th place.
